Holiday Ball Far Exceeds Expectations, Bringing in \$69,000!

As guests arrived at the 34th Annual Jackson Symphony Guild Holiday Ball they slipped down the rabbit hole into a magical world and fantastical tea party. The decorations, planned and designed by Donna Lake and Laura Davenport, were pulled off in exquisite form with the help of guild volunteers.

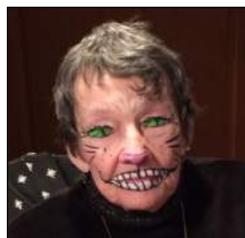

As guests entered the ballroom Alice's tea party awaited them. Complete with "drink me" bottles and "eat me" cake!

The Lewis Carol classic was well represented with the valets dressed as rabbits with oversized pocket watches and coat check ladies adorned with blue hair ribbons.

Guild members Phil & Kim Curtis were the perfect Alice and Mad Hatter. While our very own David Schultz entertained guests as the whimsical rabbit—hurriedly late to lead our brilliant orchestra, topped off by Mary McVicker as the Cheshire Cat.

From the decorations to the well planned menu and auctions, no detail was missed. Proceeds far exceeded

budget, bringing in more than \$69,000! This year's Ball Chairpersons, Pat Willis and Stefanie Riggs, wish to thank the committee and dedicated volunteers who made this event such a success.

Mary McVicker, was a good sport and got in the spirit of the event as the Cheshire Cat.

Dea Talmage is the Senior Development Officer at the Allegiance Health Foundation.

She compares her work to Match.com - but instead of matching people with people, Dea matches

philanthropists with opportunities to invest in the health and well-being of our community. Formerly, Dea served as Director of Volunteer Services at Allegiance Health, Associate Director of Resource Development at United Way of Jackson County, Special Sections Coordinator at the Lansing State Journal and PR Director of the Michigan Festival (now known as Common Ground). Dea grew up in Charlotte, MI where she was a synchronized swimmer (seriously - it was a thing) and cheerleader. She earned an Honors BS in Advertising/Public Relations at

Grand Valley State University during which time she worked on a co-op marketing project to launch a new kind of car company certain to be the model of future automotive design and sales. "Saturn" has since come and gone - and yes she is that old. In 1991, she met her late husband Mike, a dashing young Air Force Sergeant stationed at Langley Air Force Base. Soon after the wedding came Trey (19), Hannah (18) and Livi (14). The family moved to Gillett's Lake in Jackson in 2000. Dea and her two daughters now live near the Ella with their 13 year old beagle, Ellie Mae. Her son is a sophomore at KVCC.

Dea is a founding member of the Women's Leadership Council for United Way of Jackson County and formerly served on the BPW Executive Board. A novice lover of all types of music, Dea is thrilled to be joining the JSG Board to help expand the Symphony's reach and impact.
